DE-Paint XR-100

Paint and resin remover

DE-Paint XR-100 is a user – and environment friendly paint and resin remover. It has been designed to remove paints and lacquers based on solvent- or water based formulations. This cleaner has a high solvency power and is primarily used in automatic washing equipments. It has a relatively fast and residue-free evaporation.

Technical Data	
Density (g/cm ³) at 20 °C	0,88 – 0,92
Surface tension (mN/m) at 25 °C	< 40
Boiling range (°C)	165 - 170
Flash point (°C)	63
pH-value (10 g / l H ₂ O)	neutral
Vapor pressure (mbar) at 20 °C	approx. 1
Application temperature (°C)	25 – 50
Self ignition (°C)	ca. 170
Solubility in water (%)	partially
Application concentration (%)	100
Biodegradability	yes

Application Areas			
Removes:			
Solvents - Paints	++	Water based coatings	+
Polyurethane (PUR)	+	Epoxy (EP)	+

Processes			
Dip cleaning	++	Spray in air	++
Ultrasonic	++	Brushing	++

++ very recommended	+ recommended	o possible, but not recommended	– not recommended
---------------------	---------------	---------------------------------	-------------------

General information
Free of halogenated and aromatic solvents
Not classified and labelled according to the CLP-Regulation
No dangerous goods
No TLV-value
Compatible with steel and aluminum
No VOC tax (Switzerland)
Free of surfactants and water
Shelf life in closed containers: > 3 years
High bath loading capacity = long life = high efficiency
No corrosive effect on metal surfaces
Distillable
Low foaming
The product is delivered as ready to use.

ISO 9001 / ISO 14001
